QA Declaration

Traco Electronic AG (TRACO) and its legal subsidiaries import and globally distribute TRACO POWER products (power supplies and DC/DC converters).

All TRACO POWER manufacturing plants and subcontractors are selected under the premise that they are ISO 9001 and ISO 14001 certified and fulfil state of the art applicable European directives and global standards for quality control and environmental interference.

A handwritten signature in blue ink, appearing to read "S. Schaffhauser".

Schaffhauser Stefan, CEO
